ERM Imaging Holdings LLC and Quantum Physicians PLLC

Ownership and payment flows

The practice pays Dr. Ramos-Duran's professional compensation. Its remaining earnings belong to the practice and Dr. Ramos-Duran alone; ERM Imaging Holdings LLC and its subsidiaries hold no interest in the practice or its revenue.

Summary for discussion. Each payment from the practice to ERM Management LLC or ERM Equipment LLC is a fixed amount set in advance at fair market value under a written agreement of at least one year, and does not vary with the practice's revenue, collections, or patient volume. The amounts will be set in those agreements, which are not yet signed. ERM Property LLC exists only if the members elect to acquire real estate. The executed company agreements and Economic Term Sheet control over this summary.
